## ADMISSION PROCEDURE

In order to initiate the application process, we encourage qualified students to complete an online application through our website, <https://www.rca.edu>. Students needing assistance with the application can contact the College at:

Rabbinical College of America

226 Sussex Avenue

Students may be asked to have a phone, video or in-person interview. Since the academic programs at the Rabbinical College of America are very specialized, this interview becomes very useful for both the student and the College. At this interview, the student will become familiar with the programs at the College and be evaluated for academic and intellectual ability to undertake the respective program.

Students are generally notified of their acceptance by e-mail, mail or telephone. Upon admission, students will be required to complete an admission form.

Prospective students are highly encouraged to visit the campus and observe the programs in which they would like to enroll.

Students should enclose with their application for admission a letter of recommendation from their sponsoring organization, previous school or from a recognized rabbinic authority.
